You are in the right place

Everything in one path: the FNWM nutrition phases and all three tiers of Plant Aromatic Application, with both IFBW certificates at the end of it.

DUAL CERTIFICATES

Stronger recognition, greater value: the package issues an ANWA certificate, and the National Level 1 certificate is available alongside it. The National certificate is not a course on this platform, which is why the stated list price is higher than the courses add to.

What the package contains

Each course below is a full course in its own right, taken in its own intake. Buying the package enrolls you in all of them at once.

COURSE **FNWM Phases 1, 2 and 3**

1

The nutrition science: foundation, intermediate essentials and advanced personalised practice.

COURSE **Plant Aromatic Application, all three tiers**

2

Foundation, Intermediate and Advanced — the complete aromatic path.

COURSE **Both IFBW certificates**

3

Foundation Certification and Advanced Certification, in one enrolment.

COURSE **National Level 1 certificate (optional)**

+

Not a course on this platform. It is counted in both package list prices, which is why the stated ¥41,139 is higher than the six courses add to — ANWA's own arithmetic, and what makes the 10% exact.

Your place in the Botanical Wellness path

FOUNDATION

Begin

INTERMEDIATE

Build

ADVANCED

Practise

Foundation, Intermediate and Advanced are one path. The certification packages bundle it with the FNWM phases, so the nutrition science and the aromatic practice are learned together rather than separately.

Each course publishes its own week-by-week outline before it begins.
